VICTOR MARRERO, United States District Judge.

Counsel, on behalf of the parties, having notified the Court, by letter dated June 11, 2012, a copy of which is attached, that the parties have reached an agreement in principle to settle this action without further litigation, it is hereby

**ORDERED**, that this action be conditionally discontinued without prejudice and without costs; provided, however, that within sixty (60) days of the date of this Order, the parties may submit to the Court their own Stipulation of Dismissal for the Court to So Order. Otherwise, within such time plaintiff may apply by letter for restoration of the action to the active calendar of this Court in the event by the deadline indicated the settlement is not consummated. Upon such notification, the defendant shall continue to be subject to the Court's jurisdiction, the Court shall promptly reinstate the action to its active docket and the parties shall be directed to appear before the Court, without the necessity of additional process, on a date within ten days of the plaintiff's application for reinstatement, to schedule remaining pre-trial proceedings and/or dispositive motions, as appropriate. This Order

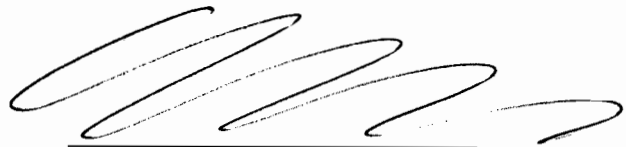

shall be deemed a final discontinuance of the action with prejudice in the event plaintiff has not requested restoration of the case to the active calendar within such period of time.

Any further conferences with the Court scheduled in this action are canceled but shall be rescheduled as set forth above in the event plaintiff notifies the Court that the parties' settlement was not effectuated and that such conference is necessary to resume pretrial proceedings herein.

The Clerk of Court is directed to terminate any pending motions and to close this case.

RE: Savas v. Portalakis  
12 CV 1248 *1248*

Dear Judge Marrero:

A telephone conference had been scheduled today for 3:00 PM in the above matter.

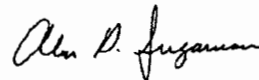

As we have advised your law clerk Mr. Weinstock today, it appears that a settlement agreement in principle has been reached between the parties.

Because the settlement will involve the delivery and inspection of art works in Greece for further shipment to the U.S., the preparation of translated Greek documents and dismissal of Greek litigation, we expect that the settlement details will require at least 60 days.

We understand from your law clerk that today's conference will not proceed.

The parties appreciate your patience in allowing us the time to complete the settlement.

Yours truly,

Alan D. Sugarman
